Years 4 – 6  Luke Head

OUR KEY PRIORITIES - 2015  - READING, WRITING, SPELLING
Each week we are concentrating on reading, writing, punctuation and spelling activities in an endeavour to improve our students’ literacy skills.

RESPONSIBLE BEHAVIOUR PLAN
BE SAFE
BE RESPONSIBLE

BE A LEARNER

Educational research states it is vital for children to read daily. It is our goal that 100% of our students will read each week night as part of their homework. Prep students need to be read to so that they develop a love of reading. Please read stories to your child. To assist us we require parents to please sign their child’s communication/homework book when you listen to your child read. Our students have come up with some great rewards for achieving 100%. With your support and encouragement I’m sure we can reach our goal.

**OUR KEY PRIORITIES - 2015 - READING, WRITING, SPELLING**

Each week we are concentrating on reading, writing, punctuation and spelling activities in an endeavour to improve our students’ literacy skills.

Our numeracy results over the years have shown to be our strongest learning area. Numeracy continues to be a part of our core learning.

**RESPONSIBLE BEHAVIOUR PLAN**

BE SAFE  
BE RESPONSIBLE  
BE RESPECTFUL  
BE A LEARNER

Educational research states it is vital for children to read daily. It is our goal that 100% of our students will read each week night as part of their homework. Prep students need to be read to so that they develop a love of reading. Please read stories to your child. To assist us we require parents to please sign their child’s communication/homework book when you listen to your child read. Our students have come up with some great rewards for achieving 100%. With your support and encouragement I’m sure we can reach our goal.

**THANK YOU**

Thank you to the Cranston family for working on our gardens and grounds during the week. Your efforts are appreciated.

GRIP LEADERSHIP WORKSHOP
STUDENTS OF THE WEEK

Prep – Year 3  Sam Head
Years 4 – 6  Luke Head

OUR KEY PRIORITIES - 2015 - READING, WRITING, SPELLING
Each week we are concentrating on reading, writing, punctuation and spelling
activities in an endeavour to improve our students’ literacy skills.

Our numeracy results over the years have shown to be our strongest learning area.
Numeracy continues to be a part of our core learning.

RESPONSIBLE BEHAVIOUR PLAN
BE SAFE
BE RESPONSIBLE
BE RESPECTFUL
BE A LEARNER

Educational research states it is vital for children to read daily. It is our goal that
100% of our students will read each week night as part of their homework. Prep
students need to be read to so that they develop a love of reading. Please read
stories to your child. To assist us we require parents to please sign their child’s
communication/homework book when you listen to your child read. Our students
have come up with some great rewards for achieving 100%. With your support
and encouragement I’m sure we can reach our goal.

THANK YOU
Thank you to the Cranston family for working on our gardens and grounds during
the week. Your efforts are appreciated.

ASSEMBLY
While swimming lessons are being held, assembly will be held on a Monday
afternoon commencing at 2:25pm. Parents are welcome to attend.

SWIMMING
Students in Acarda’s class (big pool) are requested to wear
everyday clothing over their togs as they will be learning
what it feels like to fall into water fully clothed. Please
remember to pack your school uniform for the return trip.
