OUR KEY PRIORITIES - 2015 - READING, WRITING, SPELLING
Each week we are concentrating on reading, writing, punctuation and spelling activities in an endeavour to improve our students’ literacy skills.

Our numeracy results over the years have shown to be our strongest learning area. Numeracy continues to be an important part of our core learning.

RESPONSIBLE BEHAVIOUR PLAN
BE SAFE
BE RESPONSIBLE
BE RESPECTFUL
BE A LEARNER

Educational research states it is vital for children to read daily. It is our goal that 100% of our students will read each week night as part of their homework. Prep students need to be read to so that they develop a love of reading. Please read stories to your child. To assist us we require parents to please sign their child’s communication/homework book when you listen to your child read. Our students have come up with some great rewards for achieving 100%. With your support and encouragement I’m sure we can reach our goal.

PRESENTATION OF BADGES
On Monday our local State Member of Parliament, Mr Jim Pearce presented our school leaders with their badges for this year. He encouraged all students to support the school leaders during their year of representing our school.

CROSS COUNTRY RUN
Our Cross Country Run this year is proposed to be held on Thursday 2nd April 2015 commencing at 9:00am. Please add this date to your diary.

SCHOOL ACCESS ROAD
Isaac Regional Council has generously graded our school access road eliminating most of the current potholes. Could I please remind parents that the drop off and pick up area is the front carpark and unless you are volunteering or have a meeting with a teacher, we ask that you please use the front carpark. This will minimise traffic on our access road which suffers damage on a yearly basis.

CONGRATULATIONS
Congratulations to Boyd Corkill and Luke Head for being selected at the Sarina Rugby League Trials to compete at the Mackay District Trials on 20th March 2015. We wish you both every success.
**MOWING**
Could I please make an amendment to last week’s newsletter. If parents would like to mow during the school day they are more than welcome to do so as long as it is not done while students are outside. e.g. before school and lunch times.

**P & C ANNUAL GENERAL MEETING**
Our P & C Annual General Meeting will be held on Friday 20th March 2015 commencing at 3pm. All welcome to attend.
