Educational research states it is vital for children to read daily. It is our goal that 100% of our students will read each week night as part of their homework. Prep students need to be read to so that they develop a love of reading. Please read stories to your child. To assist us we require parents to please sign their child’s communication/homework book when you listen to your child read. Our students have come up with some great rewards for achieving 100%. With your support and encouragement I’m sure we can reach our goal.
