STUDENTS OF THE WEEK

Prep – Year 3  Lily Axiak
Years 4 – 6    Luke Pietzner and Emma Gardner

OUR KEY PRIORITIES - 2015 - READING, WRITING, SPELLING
Each week we are concentrating on reading, writing, punctuation and spelling activities in an endeavour to improve our students’ literacy skills.
Our numeracy results over the years have shown to be our strongest learning area. Numeracy continues to be an important part of our core learning.

TUCKSHOP
We have been advised that there will not be any ham and pineapple pizzas until further notice. Supreme and Bacon and Cheese Pizzas are still available.

DRUMMING WORKSHOP
Students have been very involved with the drumming workshop. They have been developing their beat and rhythm skills and learning about West African culture. The drumming has also been great for developing hand/eye co-ordination and gross motor skills. A big thank you to the parents who came and watched their children perform this afternoon.

SCIENCE
Mr Allen, Head of Department for Maths and Science at Sarina State High School, will be visiting our school on Friday to work with Mrs Brinkworth on the current Science unit. He will then do a lesson with the older students and is kindly loaning us some equipment to assist the students to learn about circuits and electricity.
