RESPONSIBLE BEHAVIOUR PLAN
BE SAFE
BE RESPONSIBLE
BE RESPECTFUL
BE A LEARNER

ATHLETICS
Yesterday we had Dayne visit our school. Dayne is the North Queensland
Athletics Development Officer. He ran fun sessions for our students including drills
and practice for running, throwing and jumping.

PREMIER’S READING CHALLENGE 2016
Our school has registered all of our students to participate in the Premier’s
Reading Challenge 2016 and hope that we get 100% successful completion of the
challenge. Individual Recording Forms were handed to each student yesterday.
Please refer to the attached letter for more information.

BROADSOUND SPORTS
Please refer to the attached letter from the Principal, Koumala State School for
information on the Broadsound Sports Days on Monday 6th and Tuesday 7th June
2016.

Arrangements have been made for students in Years 4, 5 and 6 to travel to and
from Sarina on Monday 6th June to participate in the Sports Day. If your child/ren are in the Year 4 – 6 class, would you please complete the permission form included in the newsletter and return to the school asap.

Parents are asked to please transport their children to the sports day on Tuesday 7th June as this is a whole school sports day. If you are unable to take your children to Sarina on the Tuesday, it would be appreciated if you could make alternative arrangements for transporting your children.

REEF OUT THE RUBBISH
Throughout April, May and June, the Isaac Regional Council is holding several
‘Reef out the Rubbish’ clean-up days along the coastal areas in the region.
Carmila State School has been invited to participate in coastal learning, marine
debris issues and a small coastal clean-up. This will happen on Friday, 3rd June
2016. A bus will be transporting students to and from the beach. Would you please complete the attached permission form and return it to the school asap. Please refer to the attached brochure from the Council for further information on this activity.

STAR GAZING EVENING
Mr Lindon Oldfield is running a star gazing evening for our families on Friday 3rd
June commencing from 6pm to 8pm. Mr. Oldfield has experience in astronomy
and will be bringing along two of his telescopes for us to use. You may know him from his articles in the Broadsound Bulletin.
The Student Council will run a sausage sizzle from 5:30pm.
As our students are currently learning about space in Science, this will be a great
hands on experience to consolidate their learning.
PLEASE NOTE: This is a family night and we would appreciate parents helping to
look after their children on this night.
It would be appreciated if you could please indicate on the form attached to the
newsletter, the number of people attending and also the number of sausages and
drinks required. This information is required by Friday 27th May to allow for the purchase of food and drinks.

**P & C NEWS**
A reminder that our P&C has been asked to cater for the 2016 Annual Productivity Awards Night. This has been a good fundraiser in past years. It will be held on Thursday 26th May. If you have any desserts for the evening, could you please leave them at the school in the morning or bring them to the Carmila Hall at 5:00pm on Thursday. Thank you.

**COOKBOOK**
A reminder that our P & C has decided to put together a community cookbook to raise funds for our P & C. We are looking for locals to contribute their famous family recipes to be published in our soon to be famous cookbook.
If you would like your recipes published in the cookbook, please send a copy of your recipe through to:
Nikki – janimaco4@optusnet.com.au
Tanya – tany1682@hotmail.com
Or drop them into the School.
We look forward to all your yummy recipes.

**P & C MEETING**
Our next P & C Meeting will be held on Friday, 10th June 2016 commencing at 3pm.

**WHY SHOULD YOUR CHILD BE INVOLVED IN A MUSIC PROGRAM?**
Music helps in the development of pathways in the brain allowing children to become creative thinkers as well as developing empathy and social skills.
The instrumental music program on offer (currently we offer guitar, ukulele, keyboard, piano, saxophone and clarinet), is designed to develop skills that are not only of benefit to students in their musical endeavours but also enhances the skill required in other subjects such as maths and language.

Students are first taught the fundamental skills in moving their fingers in what is widely accepted to be the most effective and accurate way to produce clear notes on the chosen instrument. This helps develop hand and coordination as well as developing audio recognition (needed in language skills).

While students are learning correct techniques, they are also learning to read music scores. These scores are arranged in a progressive manner so that the students develop their skills, new scores with new techniques and challenges are introduced.

All lessons contain elements that help to improve hand eye coordination, music theory, rhythm, ensemble work, discipline, problem solving and multitasking. Students are encouraged to work out for themselves how to play the music scores they have received. Because students develop at different rates, there are no time limitations set to learn the different skills. Students are encouraged to work at their own pace and to seek assistance from their parents.

For further enquiries please contact Funkey Beat Music Tuition on 0498742268 or email admin@funkeybeat.com
